Social Watch in the world

Social Watch is a network of NGOs, citizen initiatives and social movements, based around the world, that promote the welfare of vulnerable people and respond to people’s demands for social rights and economic, social and cultural rights.

The International Secretariat of Social Watch is based in Montevideo, Uruguay, hosted by the Third World Institute (ITeM).

Gender equality and the financial crisis

The road map to prosperity for all is to invest in people and gender equality

Third World Institute (ITeM)

Gender and poverty: a case of entwined inequalities

Social Watch Research Team
