

PUBLIC EXPENDITURE: The governments of the world agreed on...

"Everyone, as a member of society, has the right to social security and is entitled to realization, through national effort and international co-operation and in accordance with the organization and resources of each State, of the economic, social and cultural rights indispensable for his dignity and the free development of his personality."

Universal Declaration of Human Rights, Article 22, 1948.

"We call on the industrialized countries... to implement the enhanced programme of debt relief for the heavily indebted poor countries without further delay and to agree to cancel all official bilateral debts of those countries in return for their making demonstrable commitments to poverty reduction."

Millennium Declaration, Paragraph 15, 2000.

HUMAN RIGHTS:

The right to health services, education and social security is enshrined in:

UDHR - Art. 22, 25 & 26
