IFIs LA Monitor Newsletter - November-December, 2009

by [IFIs Latin American Monitor](#)

In this edition you will find:

- * Information resources: Basic Capabilities Index 2009
- * News: Seminar-workshop in Montevideo, Bolivian deputies recommend to set up an external debt audit commission, Latin American CSOs and the EIB.
- * Reports: Why should the global reserve system be reformed?, Gender, the IFIs and Debt.
- * Statements: Solidarity and respect for popular sovereignty: Haiti is calling

The IFIs Latin American Monitor's newsletter, edited in English and Spanish language, is distributed monthly via e-mail and is also available on the IFIs Monitor's website. If you want a free subscription, please see:
