(2) In the 2006 European Surveys, respondents were asked whether, over the last 12 months, they have been involved in work for voluntary or charitable organizations. The estimates derived here correspond to the proportion respondents who answered positively.

a: Data for Czech Republic, Greece, Iceland, Italy, Luxembourg and Turkey are from the World Value Survey. In the 1999-2002 World Values Surveys, respondents were asked if they were currently doing unpaid voluntary work for any group they belong to. The estimate shows here the proportion of respondents doing unpaid work for at least one group.
