

Country	Education expenditure increase	Health expenditure increase	Defense expenditure reduction
Algeria	Progressing.		Significantly going backwards.
Argentina		Significantly progressing.	Progressing.
Bangladesh	Significantly progressing.	Some regression.	
Bolivia	Significantly progressing.	Significantly progressing.	Progressing.
Botswana	Significantly progressing.		Significantly progressing.
Brazil	Significantly progressing.	Some regression.	Significantly going backwards.
Burkina Faso	Significantly progressing.	Significantly going backwards.	
Burundi	Some regression.	Some regression.	Significantly going backwards.
Cameroon	Significantly going backwards.	Standing still.	
Colombia	Significantly progressing.	Significantly progressing.	
Chile	Significantly going backwards.	Significantly going backwards.	Significantly progressing.
China	Standing still.		Progressing.
El Salvador	Progressing.	Some regression.	Significantly progressing.
Ethiopia	Significantly going backwards.	Some regression.	Significantly progressing.
Ghana		Some regression.	Some regression.
Guatemala	Progressing.	Some regression.	Significantly progressing.
Guyana	Standing still.		Significantly progressing.
Honduras	Significantly going backwards.	Some regression.	Progressing.
India	Some regression.	Some regression.	Significantly progressing.
Indonesia	Significantly progressing.	Standing still.	Progressing.
Iran		Some regression.	Significantly progressing.
Jordan	Significantly progressing.	Significantly progressing.	Significantly progressing.
Korea, Rep. of	Standing still.	Some regression.	Significantly progressing.
Kuwait	Significantly progressing.		Significantly going backwards.
Malawi	Significantly going backwards.	Some regression.	Progressing.
Malaysia	Significantly going backwards.	Some regression.	Significantly progressing.
Maldives		Standing still.	Standing still.

Country	Education expenditure increase	Health expenditure increase	Defense expenditure reduction
Malta	Significantly progressing.	Some regression.	
Mexico	Significantly progressing.	Significantly progressing.	Standing still.
Mongolia	Significantly progressing.		Significantly progressing.
Morocco	Some regression.		Standing still.
Nepal	Significantly progressing.	Significantly going backwards.	Standing still.
Nicaragua	Significantly progressing.	Significantly going backwards.	Significantly progressing.
Nigeria	Significantly progressing.	Some regression.	Progressing.
Pakistan	Significantly going backwards.	Significantly going backwards.	Significantly progressing.
Panama	Significantly going backwards.		Significantly progressing.
Paraguay	Significantly progressing.	Progressing.	Some regression.
Peru	Significantly progressing.	Progressing.	Significantly progressing.
Philippines	Significantly going backwards.		Progressing.
Senegal	Some regression.	Significantly going backwards.	
Seychelles	Significantly going backwards.		Significantly progressing.
Singapore	Significantly progressing.	Progressing.	Progressing.
Sri Lanka	Significantly progressing.	Some regression.	Significantly going backwards.
Swaziland	Significantly progressing.		Significantly going backwards.
Thailand	Progressing.	Progressing.	Significantly progressing.
Togo	Significantly going backwards.	Some regression.	
Tunisia	Significantly progressing.		Significantly progressing.
Turkey	Significantly progressing.	Progressing.	Significantly going backwards.
Uganda	Some regression.	Standing still.	Significantly going backwards.
Uruguay	Standing still.	Some regression.	Progressing.
Venezuela		Significantly going backwards.	Progressing.
Zambia	Significantly going backwards.	Progressing.	
Zimbabwe		Significantly going backwards.	Significantly progressing.

Significantly progressing.	Standing still.	Significantly going backwards.
Progressing.	Some regression.	No data available.
